5. TERMS AND CONDITIONS

BACKGROUND

The Irish Sports Council allocated **€680,000** from its 2011 budget to the Go for Life Programme to help increase the participation of older people in recreational sport and physical activity. This National Grant Scheme for Sport and Physical Activity for Older People (hereafter referred to as the National Grant Scheme) is one element of the extensive Go for Life Programme which has resulted from this allocation. A total of **€300,000** will be available in grants.

OVERALL AIM

The National Grant Scheme aims to assist in the implementation of locally-developed, well-planned initiatives designed to increase participation in recreational sport and physical activity by older people. In particular, the scheme is aimed at:

- assisting local clubs/organisations to enhance existing opportunities for their members in recreational sport and physical activity;
- assisting local clubs/organisations to initiate new initiatives geared at involving older people in recreational sport and physical activity.

WHO CAN APPLY

Grants are available to all local clubs, groups and organisations that promote increased participation in recreational sport or physical activity for older people as a main element of their activities. Grants are made available for sport or physical activity for **older people** and the overall membership of applicants must be such that older people will be the beneficiaries of the grant monies. Commercial, statutory or umbrella bodies are not eligible to apply for this grant. For the purposes of this Grant Scheme, Local Sports Partnerships are not included in these categories and are therefore eligible to apply. Day centres completely funded and directed by statutory bodies such as the HSE are not eligible. Funding for sports clubs will not be considered unless the application specifically relates to older people.

Applicants who have had previous successful applications processed will be expected to have taken advantage of PALs training where it has been available to them. *These grants are designed to support the work of PALs. In future the scheme may be restructured to apply only to groups that have an active PAL or that are first time applicants.*
